

Linking Ideas — Perseverance

Resilience — Perseverance

When you use this learning muscle, you ...

- are not put off by being stuck
- tolerate feelings of apprehension, frustration or confusion without getting upset
- recognise that learning can be a struggle
- keep on going despite difficulties and find ways to overcome them

What could you add to this picture to better convey perseverance?

What makes you say that?

Look at these quotations.

What message is the writer trying to convey?

“The road to success is dotted with many parking places”

“Consider the postage stamp: its usefulness consists of the ability to stick to one thing ‘til it gets there”

“Fall seven times, stand up eight”

“Perseverance is the hard work you do after you get tired of doing the hard work you already did”

“It’s not that I’m so smart, it’s just that I stay with problems longer”

What do we mean when we say ...

“ Throw in the towel ”

What connects this creature to the idea of perseverance?
