

Groupwork Skills

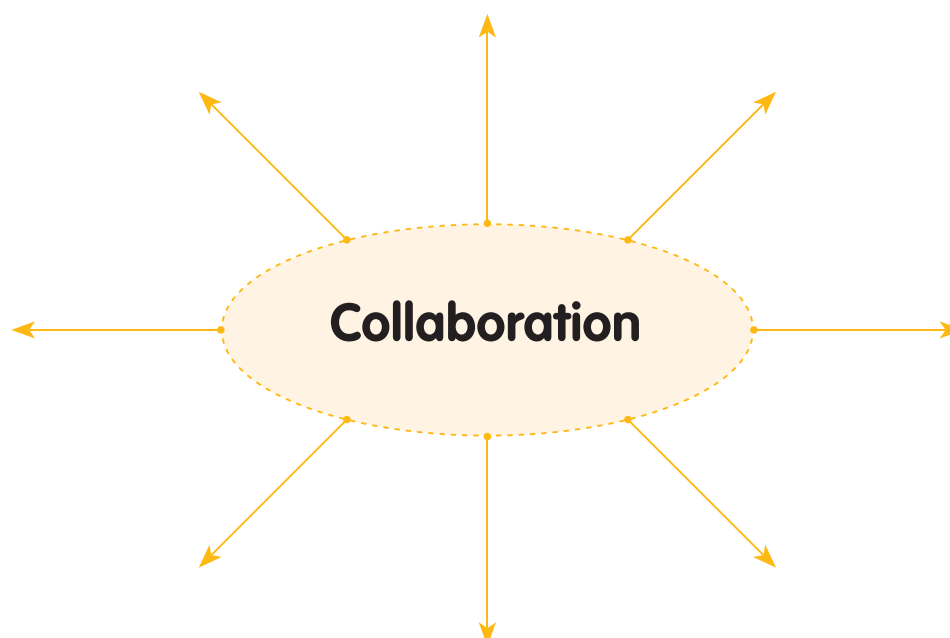

Time to think ... and share ideas

What do you need to be able to do to be a good collaborator?

A way with words

What other words might we use to mean the same as collaboration?

Me-now!

How am I at collaborating?	Usually	Sometimes	Rarely	Don't Know
I explore a task and work out what we have to achieve ...				
I help plan how the group will work ...				
I play my part in getting work done ...				
I'm patient whilst others learn ...				
I share what I think or know ...				
I accept ideas that improve on my own ...				
I make suggestions to others for improvements ...				
I contribute to group review ...				
I celebrate others' achievements ...				
I help to resolve conflict ...				

Priorities to work at ...
