

Linking Ideas — Questioning

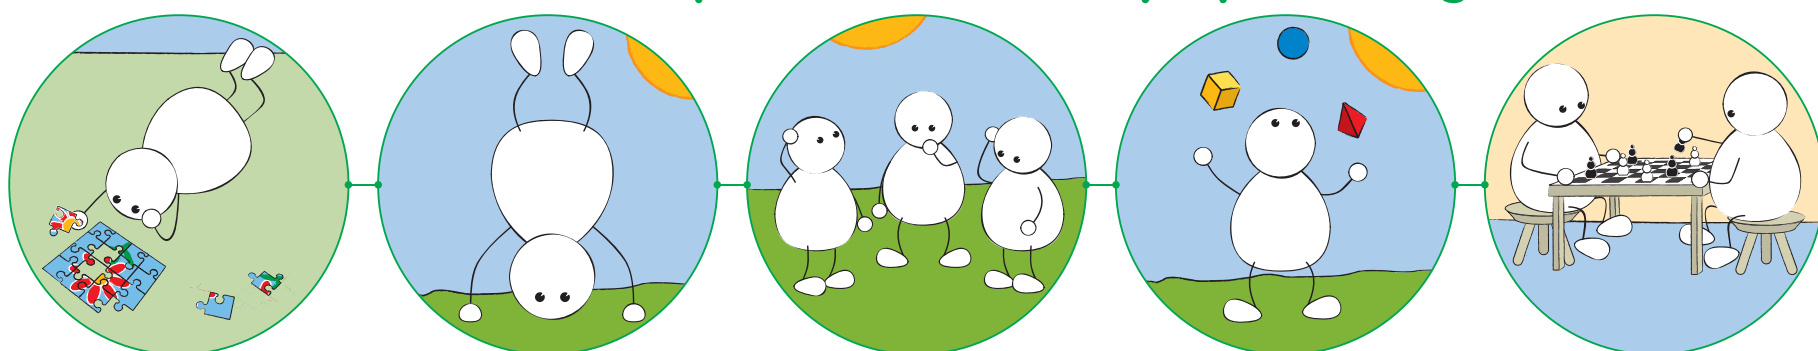

Resourcefulness — Questioning

When you use this learning muscle, you ...

- are not afraid of not knowing
- are curious about things and people
- like to get below the surface of things and come up with your own conclusion
- often wonder why
- play with ideas, asking "How come?" and "What if?"

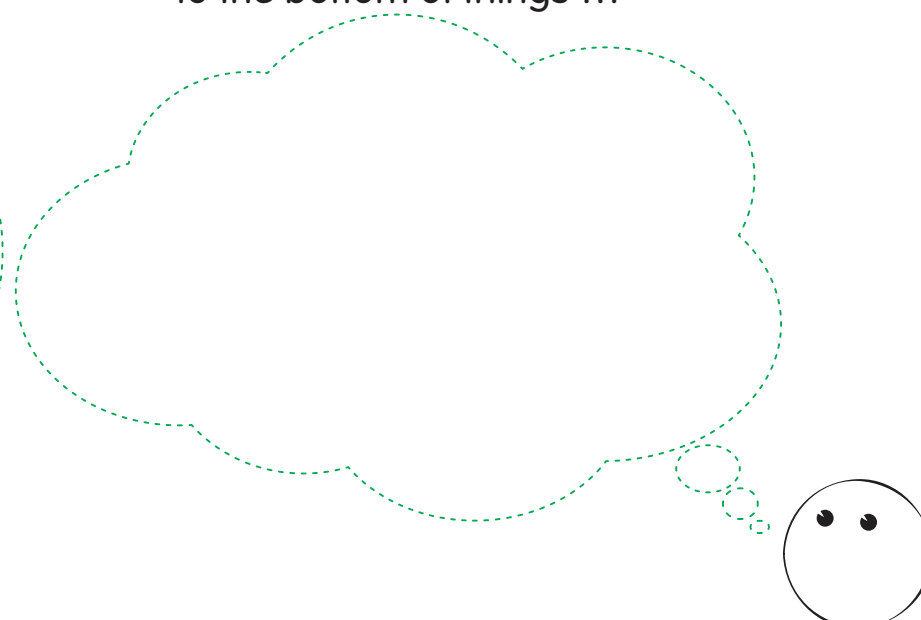

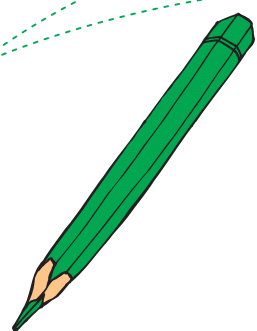

Which of these pictures best conveys questioning?

What makes you say that?

Think of a character who likes to get to the bottom of things ...

Draw your own symbol for questioning without using a question mark.

What do we mean when we say ...

“ Curiosity killed the cat.

I need to get to the bottom of this.”

Is asking questions ever a bad idea?

What makes you say that?
