

Learning: poles apart

Fragile, dependent, **risk averse**, weak perseverance

Absorbed, attentive, **hang in there** despite toughness, give it a go

Emotional engagement

Rule bound, like only tried and tested, **fragmented** info, **passive**, uncritical

Curious, rich understandings, **imaginative**, logical

Cognitive range

Isolated and **dependent**, lack of engagement with others.

Collaborative, listen empathise, Learn with and from others

Social interaction

Little self awareness, **robotic**, can't explain reasons for what/why they do things

Plan, revise, **know themselves as learners**. Like to take responsibility for own learning

Strategic responsibility
